Matt,

I was off yesterday, I will review the attachments to ensure they are complete and I will let you know by COB today.

Hi Al,

No changes were made. Do you need anything else on this? Do you need a hard copy mailed?

Thank you,

Matt Culpo, P.E.

Subject: RE: City of Helena Pretreatment Ordinance

Thank you Matt,

Were there any changes to the ordinance during the City Council hearings, after I completed my final review in 2019?

Enclosed is an excerpt from the June 17, 2019 "approvable" email that I sent to the City:

"Based on the EPA's review of your draft ordinance updates submitted on April 15, 2019, the updates are approvable. Please submit the approvable program modifications to the City of Helena City Council for their 1st approval reading and public participation meeting. **If no changes are made to the ordinance updates reviewed by the EPA**, then submit the final modifications submittal package (in accordance with the Region 8 Strategy for Program Modifications) by mail to the EPA for final approval. The EPA has determined that this program modification is nonsubstantial and therefore, a public notice by the EPA is not necessary." [bold font for added for emphasis]

Subject: City of Helena Pretreatment Ordinance

Good morning Al,

Here are the responsive materials related to the pretreatment ordinance due to the EPA by September 1, 2020:

1. A statement of basis.
 - a. Attorneys statement
 - b. Copy of draft modified legal authority (Ordinance 3265)
 - c. Title 6, Chapter 4 of Helena City Code, Industrial Wastewater Regulations ("a copy of the draft legal authority showing all changes as they will look in final format")
